

## American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery that are known within the business as durable and strong machines which suits the needs of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery operated walk behind version of floor scrubber along with the Clarke Company that is currently likewise owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These kinds of scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln could provide components, warranty service and machines for these kinds of scrubbers that have both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility managers where efficiency and results count. Lately, this particular floor scrubber model has been used by the architects in new construction jobs like Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on location because of the model's utmost performance level and high standard of quality for polishing concrete.
