

Genie Forklift Parts

Genie Forklift Parts - Genie Industries prides itself with the belief of lifting clients and resources higher, extending beyond the products they manufacture. A global business that is completely associated to their clients and enjoys reflecting the spirit of partnership with everything they accomplish. Genie Industries strives to help clientele build their business no matter how large or small the scale of undertaking may be.

In 1996, with the launch of the Genie Hoist, which is a pneumatic, portable material lift spawned the beginning of Genie Industries. A succession of aerial work platforms and additional material lift trucks followed to meet customer demand. These progressive goods secured global acknowledgment and established contemporary product design.

Genie Industries is at this time a subsidiary of Terex Corporation. Sustaining foremost quality production and uncompromising service and support are among their top priorities. With clients from Helsinki to Hong Kong and Denver to Dubai requesting the distinctive blue coloured forklifts on the jobsite, the business is confidently grounded in their exceptional customer service and values. Acknowledging that their users are their greatest inspiration, the team at Genie Industries are personally committed to providing expertise and maintaining customer rapport.

The meticulous team is constantly committed to recognize the most green and cost-effective, environmentally responsible methods to develop the goods the consumers want.
