

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Ingersoll Rand offers products, solutions and services to ensure efficiency and increase the productivity within industrial, commercial and residential surroundings. They pride themselves in providing products to be able to enhance the comfort, security, health and safety of people all around the world through their four global segments.

The Climate Solutions sector delivers a world-class product line of energy efficient HVACR solutions for clients. Thermo King is the leader in transport temperature control, while Hussmann is a manufacturer of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, building and contracting advanced controls, services and parts support used for both commercial buildings and residential homes.

Ingersoll Rand's Industrial Technologies division provides products and solutions which enhance their customers' productivity, operations and energy efficiency. The product range is diverse ranging from tools and pumps, fluid and material handling systems to complete compressed air systems. They have even developed Club Car, the international leader in utility and golf vehicles intended for businesses and individuals.

Popular trade names like Trane and Schlage compromise the Residential Solutions business, providing safety, efficiency and comfort to home owners all over North America. Some of their innovative quality products comprise mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies offer products that ensure productive, secure and safe environments. This division's market leading products include floor and door closers, exit devices, portable security devices, biometric and electronic access control systems, cabinet hardware, steel doors and frames and locks, decorative hardware and locksets. Popular trade names such as Schlage also offer time, attendance and personal scheduling systems.
