

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over sixty years of experience successfully designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are dedicated to giving top quality and new design concepts so as to meet the diverse requirements of their customers.

TREK Cleaning Machines always offers fresh design concepts as shown in their product development. They enjoy offering items that energize both their partners and their dealers and provide production gains to their clients.

The TREK team of employees enjoys new challenges and new tasks. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and requirements along with their understanding of cleaning applications, together with owners' strong desire to considerably lessen cost through productivity gains.

When considered necessary, the employees within TREK and its many dealer members in both parts and in technical support will be available. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning equipment ready and running everyday is top priority. The company's top of the line technology delivers reliable machine which ultimately lowers your cost of cleaning. The price, the service and the product all work as one to make them an industry leader.
